

The Falls Golf Club

Junior Golf League

Tuesday June 3rd - August 27th 2008

This program is structured for golfers aged 8 – 17 that have golf experience and are able to play 9 holes without supervision. It is highly recommended that each student has participated in some type of structured junior program. There will be prizes awarded each week for knowledge of the rules to low rounds and putts. Each golfer should be ready to walk 9 holes, play by appropriate rules, and act in a professional manner. The year end tournament and banquet will be determined at a later date. Each day there will be prizes awarded and the last day overall winners.

The Falls Golf Club Junior Golf League is a place for all abilities. We want your juniors to have fun and create friendly competition. **We encourage any parents who want to help supervise their child or others to please come out.**

Time: Tee Times will be from 7:00 a.m. to 8:00 a.m. Tuesday and/or Wednesday

Registration fee: \$30.00
Cost: \$12.00 each week

Each week includes: 9 hole walking green fee, prizes, and a hotdog and soda.
