

The Falls Golf Club

Great Public Golf

Thank you for considering ***The Falls Golf Club*** for your upcoming golf outing—shotgun start!

The Falls provides golfers with a scenic, challenging golf course as well as many attractive amenities designed to deliver a special day of golf.

The Falls is based on a design philosophy of enhancing a golf course with natural beauty. The goal is to make it a fun and challenging course for all players. This design was executed here by saving and relocating over 200 mature trees onto the course. Seven lakes, six waterfalls, and existing creeks intermingle with the holes, grass, and sand bunkers—all strategically placed on the course. Bent grass greens extend into the fairway approach permitting a variety of shots to be played from various locations. These features combine to create a spectacular 6500-yard, par 71 golf course.

A Full-Service Course

The Falls offers a spacious clubhouse facility with great food, spirits, and service to enhance your golfing experience. Its large 2000-square foot patio overlooks the golf course, lakes, and waterfalls. To round out your golfing experience, our pro shop offers the latest in today's golfing merchandise at competitive prices.

The Falls promises superior service on the course and off. We invite you to come view our outstanding facility and check out our reasonable prices. Our General Manager, Brad Hulett is here to assist you in scheduling and planning your golf outing for 2009.

“Best Greens in the Area”

The Falls' 18-hole course is a challenge for low handicappers when played from the championship tees. High-handicap golfers can also enjoy the course when played from the shorter white tees, or even shorter red tees. A number of holes use small lakes to provide a mixture of beauty and intimidation. Many golfers enjoy this wonderful layout. To enhance the pleasure of play, the golf course design compels each player to hit a variety of clubs and types of shots. Par 5s have been designed using a risk/reward philosophy; having yardage range from 491 to 524 gives an opportunity for many golfers to “go for it!” To continue the challenge, two skilled shots are needed to navigate sandtraps and water.

Fantastic Practice Facility

The Falls Recreation Center is located adjacent to the golf course. It offers a practice range with a large grass tee area as well as synthetic mats. A large practice green is also available for chipping and putting. Any group coming to ***The Falls*** for a golf outing may purchase range balls on an individual basis, or the sponsoring organization may contract for a bucket of range balls prior to the event on a per person basis. Also, batting cages and miniature golf make it a place for the whole family.

Tournament Requirements

The following are general rules covering the use of the golf course and facilities during a golf outing:

Golf Pairings

The Falls will prepare Bag Service Tags, Score Cards, Score Sheets, and Cart ID Tags for your event. To permit the time necessary for this service, golf pairings are required three days prior to the event.

Dress Code

Proper golf attire is required on the course and at our other facilities. Swimsuits, cut-off shorts, and tank or crop tops are not permitted. Men must wear shirts with sleeves.

Contract Requirements

Booking Procedures

The number of players indicated on your initial *Checklist Proposal* is the number considered for approval. Upon approval of your proposal by *The Falls*, you will receive a contract for signature. The contract must be signed by an authorized representative of your organization and returned along with a deposit of \$500. **It is important to note that formal**

booking of the event is not complete until the contract and deposit are received by *The Falls*.

Cancellation

Written cancellation received by *The Falls* prior to 60 days from the scheduled date of the golf event allows for a 100% refund of the deposit. Cancellations made *within* 60 days of the scheduled date forfeits the deposit in full.

Rain Dates

Should the golf course Superintendent close the course due to inclement weather, rescheduling of your event will be addressed at that time. Should the golf course be closed after the event has begun, you will be charged for 9 holes. If your event has made the turn, you will be charged for 18 holes. In either case, all food service arrangements will be provided as planned on partial events.

Guarantees

The number of players identified in your initial *Checklist Proposal* will be used to establish the necessary services to ensure a successful golf outing. Ten (10) days prior to the event you will be asked to guarantee your number of golfers. That guaranteed number is the minimum for which you will be billed for golf, food, and beverage services.

Fees — Shotgun Start a minimum of 120 players required to close the course for any event. Minimum for partial shotgun start 72 players
